

Create Your Own Easter Egg Packaging

We are going to create our own Easter Egg box in just 6 easy steps.

Equipment: You will need glue or tape, scissors (or an adult who can help with cutting), and any pens, pencils, feathers, sequins or other decorations you would like to use on your box.

Step 1: Colour in the template below, adding any pictures, colours and spring designs you want to.

Step 2: Cut around the outside of the template – don't cut inside any of the lines!

Step 3: Fold all of the sections that have fold written on them.

Step 4: Use glue or tape on all of the tabs to stick your box together – it should now be a 3D box!

Step 5: Add any other decorations you like, such as ears, tails, chicks, sequins, and anything else that will make your packaging stand out.

Step 6: Once your box is dry, add your chocolate goodies. Ta dah, you're finished!

If you are really proud of your Easter Egg box, ask your parents or carer to share it with the Museum by tagging @museumofbrands on Facebook or Twitter. We would love to see your designs!

While you're here...

The Museum of Brands is a registered charity and independent museum, and relies on your support to care for our collection and to continue to provide learning opportunities for students and families across the country. If you have enjoyed this digital resource please consider visiting <https://www.museumofbrands.com/online-resources/> to make a voluntary donation to help us continue our work, and to take a look at our other free online resources.

We look forward to welcoming you to the Museum again soon!
