# Conference Space

Our conference space is designed to spark creativity and is available throughout the week for strategy meetings, creative sessions, away days, conferences and team building workshops.

Located on a private floor the venue features floor-to-ceiling windows, quirky grass flooring, access to a balcony, high speed WiFi and its own catering and breakout space. The venue seats 30 socially distanced guests with a maximum capacity of 120 when restrictions ease. All attendees can also enjoy discounted admission to the Museum's one of a kind collection. As the world's only museum dedicated to branding, design and advertising, we are one of London's most inspiring locations for marketers and creatives.
