CHILDREN PARTIES

Treat your child to a birthday party at the Museum of Brands, one of Notting Hill's best children party venues! You can bring the outdoor in all year round in our grass-floored, blank canvas space, ideal for indoor picnics and teepees parties for up to 30 little ones.

We work with a range of children entertainers, caterers and party planners who can help you dress and customized the event and dress out venue to your child's preferred characters, colours or themes. We have also a dedicated parents' area connected to the main party space, and we include a free family ticket to the Museum for all attendees to add to your goodie bags.

Whether you are looking for a baby disco or a Mad Hatter's tea party, we are here to help plan every aspect of your child's big day.
